## Carpathia Club

At Carpathia Club, Donauschwaben and German cultural heritage continues through sport, tradition, food and friendship. Established in 1913 as the Carpathia Chor (Carpathia Singing Society), the club has grown to include a variety of interests.

Carpathia is a non-profit cultural organization and a family-oriented club that welcomes everyone. Our friendships and families are why the club still exists.

The easiest way for new members to become involved is through one of the small groups called "Untergruppen." Play soccer, play an instrument, bake "Kipfel," learn a folk dance, sing songs in German, try trap shooting or archery - or all of the above!

Find where you fit - everyone is welcome to attend any event or drop in at any Untergruppe meeting.

More than a collection of Untergruppen, Carpathia Club is one club. Members stay involved because they care about that connection and about each other.

*Carpathia Club enjoys friendships with other Donauschwaben and German groups locally, across the country, and around the world.*

*The Member's Bar & Patio is available for members and their guests to enjoy.*

*With a beautiful hall and a large river-view property, Carpathia Club sponsors many cultural functions, weekend festivals, and soccer competitions on site. The club also offers banquet hall rental for weddings and special events, and catering for off-site parties.*

*Events such as the annual wild game dinner or Germanfest are popular ways to check out the club. Everyone is welcome to all events. We hope to see you there!*

## Carpathia Club Untergruppen

**General Membership:** Carpathia Club is the place to hang out with friends and meet your neighbors. Membership supports the culture, groups, & costs of maintaining the building and property. Members receive discounted hall rentals and event tickets.

**Gemischter Chor:** Started in 1913, the choir was the founding group of the Carpathia Club. Nationally recognized, the Mixed Choir can be heard performing at Carpathia Club functions, local events and national concerts throughout the year.

**Jugendgruppe und Kindertanzgruppen:** Entertainment, energy and fun are the best words to describe these folk dance groups. They dance traditional and modern folk dances, and they build friendships with other dance groups and each other. The two Kinder Dance Groups range in age from 4 to 13 and are very charming. The Youth Group is the competition level dance group that always impresses audiences. Young people from 13 to 24 dance, travel and make friends across the world.

**Blasmusikanten:** Carpathia's newest group is an excellent brass band. The Blasmusikanten welcome all ages - especially youth, many of whom currently play in their high school and college bands. The group performs at functions around Michigan, and already has already released a CD with a new live recording available soon!

**Kulturgruppe:** Do you want to learn how to dance? Adults over 21 interested in folk dance and fun should consider the Kulturgruppe. No dance experience necessary! And you don't have to join as a couple. Come as you are, and have fun.

**Frauengruppe:** A social group, the Frauengruppe meets each month and enjoys various annual trips. They organize Carpathia bake sales where their Kipfels and desserts are in demand. They host a card party and a stylish fashion show each year, and the group is also known for their famous cookbook which is already in its second publication.

## Carpathia Club Untergruppen

**Kickers:** Established in 1952, the Carpathia Kickers are the most successful soccer organization in Michigan having won the U.S. National Amateur Championship, League and State championships, and National Donauschwäbische Championships. The Kickers maintain *the* premier club soccer field in the state. They have 2 men's AA level teams, 23 youth teams ranging from U8 to U19 for girls and boys, two over 30 men's teams, two over 40 men's teams, two women's open teams and a women's over 30 team. In addition, the Kickers provide developmental soccer for children on their Zwergel, U6, and U8 3v3 leagues. From premier soccer leagues to summer youth programs, the Carpathia Kickers include everyone interested in the sport.

**Jägergruppe:** Hunting, shooting and camaraderie are all part of the Jägergruppe. The group has trap shooting competitions in the U.S. and Canada, organized hunts for large and small game, and monthly pellet shooting competitions. Along with Abend nach der Jagd, a euchre party and a youth outdoor day, they also sponsor a very popular wild game dinner each year.

**Rentnergruppe:** The seniors (62 and over) in the Rentnergruppe are a supportive group of friends that meet once per week and are involved in many social activities. Playing cards, hosting card parties, and organizing excursions, the seniors keep active throughout the year.

**Deutsche Schule:** The Friday night German school gives children from 5 to 14 the advantage of speaking and understanding a second language. The Schule also teaches German culture through recitals and Weihnacht programs. It's friendship-building that happens to be cultural. Give your children the important advantage of learning a foreign language.
